Book Overview:

Prim, proper, classic good girl, and her least favorite label - icy.

Lila Kate Carter has heard them all. The last one, being the newest. She is not icy. She just doesn't care for Cruz Kerrington and his spoiled, selfish, careless ways. That doesn't make her icy, that makes him a jerk!

Tired of being labeled and doing what is expected of her, Lila Kate leaves Rosemary Beach, Florida ready for

an adventure. Wanting to recreate herself, find a new path, and become something more.

Eli Hardy is tired of women who always act the same, do the same thing and expect the same thing. He's ready to swear off women until he can get the rest of his life together.

Two weeks into his no-women-rule he meets Lila. She's so damn sweet and polite. Like she walked right out of an etiquette book. But he'd already been drunk before she walked in so there was a good chance she might not be as stunning and perfect as he thinks. He's just too drunk to worry about that.

The next morning, he swears he can still smell her on his skin. He can't remember why or what happened after that third dance.

Their worlds are about to collide, and so are the secrets and lies.

This book is one of best seller books in the world. Many of people very interesting to read this book. So, your life will be regret if you never read this book on your life.
